Stab-proof vest  
De-friend associates  
Emotional balance simulator  
Stress-free life  
Shrink-wrapped corpse  
Mono-crop harvester  
Low-paid  
Sun-dried refugee  
Oven-ready Holocaust victims  
Classless society  
Boil-in-the-bag prison rations  
Space-age birth control  
Diet-junkie syndrome  
Well-dressed cyborg  
Jet-lagged climate dodger  
Real-estate suburban boredom  
Rohypnol speed-dating club  
Flat-pack logistic living  
Direct streamline contamination  
Intergalactic waste-disposal unit,

Welcome to the united  
states of technology  
gone wrong!
