

Victory to the Strike Bike workers!

MACG announcement

Melbourne Anarchist Communist Group

October 25, 2007

Dear Comrades,

The Melbourne Anarchist Communist Group sends its revolutionary greetings to the occupying workers producing the Strike Bike in the German city of Nordhausen.

Your action is an inspiring example to all workers. While an isolated self-managed factory is not a solution to capitalist exploitation, you have destroyed a myth.

You are demonstrating that the world can run without bosses and pointing the way to the workers' self-management which will be universal under libertarian communism.

Victory to the Strike Bike workers!

In Solidarity,

Melbourne Anarchist Communist Group
